UNDERGRADUATE PROGRAMS

College	School	Departments/Divisions
College of Convergent Basic Science(*)		Interdisciplinary Track (tentative name)
College of Natural Sciences		Physics
		Mathematical Sciences
		Chemistry
College of Life Science & Bioengineering		Biological Sciences
College of Engineering	School of Mechanical. and Aerospace Engineering	Mechanical Engineering
		Aerospace Engineering
	Electrical Engineering	Electrical Engineering
	School of Computing	Computer Science
		Civil & Environmental Engineering
		Bio & Brain Engineering
		Industrial Design
		Industrial & Systems Engineering
		Chemical & Biomolecular Engineering
		Materials Science & Engineering
		Nuclear & Quantum Engineering
College of Business		Business and Technology Management

* Starts from Spring 2018

FACILITIES

Dormitory

Incoming students are provided with dormitories on campus. Each room is shared by one or two students and is furnished with beds, closets, desks, and chairs. Residents share bathrooms, laundry rooms, and lounges. Students pay a dormitory fee of approximately 100 USD per month.

Library

KAIST has two major libraries: the Main Library and the Undergraduate Branch Library. There is also a bookstore and a cafeteria on the first floor of the Main Library.

Medical service

Minor wounds and illnesses are treated at an on-campus clinic for free. For more serious illnesses, high quality professional medical service is offered on campus at the Pappalardo Medical Center.

Sports facilities

KAIST has excellent facilities for table tennis, tennis, soccer, racket ball, badminton, volleyball, and basketball. We also have swimming pools and fitness centers equipped with cycles, treadmills, barbells, etc.

Restaurants

There are three cafeterias, some fast food restaurants, and cafes on campus. You will also find numerous restaurants located right outside of campus. KAIST also has an international kitchen. Many of our international students gather at this place to cook and eat together.
KAIST Language Center (KLC)

KLC offers language courses to improve the Korean and English skills of KAIST students and researchers. All of the classes offered by KLC are non-credit classes and tuition is charged for each class. Also, KLC provides English proofreading services and Korean-English translation services.
http:lang.kaist.ac.kr

International Scholar and Student Services (ISSS)

ISSS supports international students with regard to their visa issuance/extension, school registration, housing, and orientation. ISSS also organizes various exciting activities, festivals, and community services.
