

IREX UNIVERSITY ADMINISTRATION SUPPORT PROGRAM RESEARCH MANAGEMENT FELLOWSHIP

THE UASP FELLOWSHIP IN RESEARCH MANAGEMENT develops higher education research management capacity in Africa and Eurasia through a six-week fellowship in the United States. Including two weeks of training in Washington, DC, a four-week placement at a US university, and opportunities for post-program small grants and engagement, the UASP supports up to 32 mid- to senior-level research managers to build their universities into leading research institutions.

Sample fellowship focus areas

- Institutional research strategy
- Incentivizing research
- Winning and managing research funding
- Publication and enhancing reputation
- Research ethics and integrity
- Researcher development, career support
- Research methods training
- Postgraduate research programs
- Technology transfer
- Research commercialization
- Institutional data, reporting, and audits

ONLINE APPLICATION:

<https://www.irex.org/uasp>

FELLOWSHIP COMPONENTS

Financial Provisions

Roundtrip airfare, J-1 visa fees, accident and sickness insurance, housing, daily allowance of \$50 per day (meals and incidentals), and a professional development allowance of at least \$600

Research Management Training

2 weeks of intensive training and peer-to-peer learning in Washington, DC

US Host University Placement (with Host Mentor)

4-week placement observing and analyzing research management operations at a respected public US university. Fellows' placements are assigned according to requested focus area(s) which are priorities of their home institution.

Implementation Plan or Comparative Case Study

Application of learning from the host placement to make recommendations for research management reform at the home institution.

Virtual Learning Environment

An online platform enables fellows to engage with UASP trainers, peers, and alumni prior to, during, and after the fellowship.

Post-program Grants and Engagement

Post-program small grants competition to put learning into action (e.g. to kickstart a reform at the home institution), take research management courses, and/or attend relevant conferences.

new functional unit

SUCCESS STORIES

Olena Tupakhina established the first Technology Transfer Center at Zaporizhzhia National University. In its first six months of operation, ZNU successfully partnered with 11 different businesses. Nine patents have been confirmed in the fields of metallurgy and pharmaceuticals, with seven more pending.

Tetiana Yaroshenko established the first Center for Digital Research and Scholarship Creation at National University of Kyiv Mohyla Academy.

Katerina Sirinyok-Dolgaryova developed and implemented an intensive research methods training for 30 Social Sciences faculty and postgraduate students from 4 institutions across Ukraine. Zaporizhzhya National University also approved Katerina's new 3-credit undergraduate course in Qualitative and Quantitative Research Methods.

“ UASP is the most professionally composed and administered program supporting professional development I have ever participated. It promotes international collaboration and justified concept 'learning by doing' ...and inspires for real changes at our home institutions. ”

- **Manana Mikaberidze**,
2016-17 participant, Georgia
